NOTE #1 - Puppies are treated with "Nemex 2" wormer every 2 weeks while at our home !

NOTE #2 - Some times of year we give an additional shot of "Nobivac Puppy DP-v" to help prevent PARVO

NOTE #3 - We **STRONGLY** recommend that you give your Sheltie a yearly booster shot of a "5 in 1" or "6 in 1" type vaccination (like the Pfizer +5/CV or an equivalent), **ASK YOUR VET FOR RECOMMENDATIONS!**
